
TEST ANALYST – UP TO £60K DEPENDANT ON EXPERIENCE

Date: 16 Feb 2018

"It's up to us. One generation to lay down the fundamentals for the future. This is the digital revolution - you are the digital revolution. You've got to make this happen. Pass on this legacy so when you're grandchildren look back at you, you did the right thing, got us off carbon, and showed the proper respect to the generations not yet here."

Jeremy Rifkin, 2018

You might not save the world at Bellvedi, but we are making a difference. If you share our aspirations and values we'd love you to get in touch.

Role requirements

We are a small and rapidly growing business looking for a capable and competent individual to fill this new role to help manage our software testing, customer support desk and release process.

You will be required to work with the current team to:

- Organise and engage in software testing (manual and automated) of pre-release software updates.
- Assist in the development of automated testing.
- Provide support to the testing of customer raised issues to validate the nature of any defects.
- Formalise and manage our software release procedure.

We are recruiting for multiple roles and any candidates with skills spanning several job descriptions are welcome to apply, as we may amalgamate the roles accordingly.

Skills

To be successful in the role, the following skills will be useful:

- Experienced and competent in effective software testing.
- Flexibility to get "hands on".
- Excellent time management skills.
- Experienced and competent in customer support.
- Self-motivated and driven to help a small business grow.

Qualifications

A high-level of attainment at GSCE and A-level (or equivalent) in a number of subjects, plus degree-level or higher education in a relevant area would help demonstrate your appropriateness for the job.

Terms

Location is flexible, but would ideally be based in Berkhamsted, Hertfordshire or Leeds, West Yorkshire, otherwise home working can be considered. Salary will be agreed depending on experience. We offer a share save scheme, 3 days volunteering, a contributory pension (matching up to 10%), charity giving matching and 28 days annual leave.
